EDUCATIONAL QUALIFICATIONS

Year	Qualification	Institute	Performance
2018	Bachelor of Technology, Computer Science and Engineering	Indian Institute of Technology, Kanpur	9.3/10.0
2014	AISSCE (Class XII - CBSE)	B. M. M. Sen. Sec. School, Mandi Killianwali	96.2%
2012	AISSE (Class X - CBSE)	B. M. M. Sen. Sec. School, Mandi Killianwali	10.0/10.0

ACADEMIC ACHIEVEMENTS

- Received **Academic Excellence Award** from IIT Kanpur for the Academic Session 2014-15 and scored a SPI of **10 (on a scale of 10)** in 2 semesters.
- Secured an **All India Rank of 190** in **JEE Advanced 2014** given by about 150,000 shortlisted candidates from all across the country.
- Secured an **All India Rank of 220** and **State Rank of 4 in Punjab** in **JEE Main 2014** given by about 1,500,000 students.
- Conferred with **Kishore Vaigyanik Protsahan Yojana (KVPY) Scholarship** in 2012 by IISc Bangalore out of 40,000 candidates.
- Qualified National Standard Examination in Chemistry (**NSEC**) and National Standard Examination in Astronomy (**NSEA**) in 2013.

INTERNSHIP

- Summer Analyst, Goldman Sachs Services Bengaluru, Securities Division**
(Mentor: Anshuman Shankar, Vice President, Securities Division)

May'17 - Jul'17

Role	- Development, maintenance and testing of firm's RFQ system used for electronic trading of single name CDS and corporate bonds.
Major Tasks Completed	- Added support for trading fractional-year tenor single name CDS for a major venue in New York and London. - Implemented automated scenario tests for e-trading of corporate bonds on a major venue in New York. Anticipated reduction of manual testing effort before every code release. - Unification of and making robust FIX protocol message dictionaries used for communication during electronic trade negotiations.
Auxiliary Learning	- Familiarity with Java Object Oriented Programming and all the phases of SDLC. - Introductory knowledge on trading mechanics of corporate bonds and credit derivatives.

PROJECTS

- Finding Vulnerabilities and Improving Security of ZooBar Server**
- Probabilistic Word Sense Embeddings**
- Deep Reinforcement Learning against Pong AI**
- Joint Seat Allocation Algorithm for IITs, NITs, IIITs and other GFTIs**
- Java to x86 Assembly Compiler**
- Extending Nach Operating System**
- GDP Forecasting using Time Series Analysis**
- Live Video Multistreaming with Chat Room Functionality**
- Online Academic Registration Portal**
- Applications of Graph Algorithms in Discrete Markov Chains**
- Prutor Interface and Database Enhancements**
- Game Strategies using Combinatorial Game Theory**

POSITIONS OF RESPONSIBILITY

- Tutor, Fundamentals of Programming (ESC101), IIT Kanpur**
- Responsible for smooth conduction of introductory programming course for freshmen students of IIT Kanpur.
- Organized weekly tutorials and created exam papers and quizzes for the evaluation of students.
- Mentored one advanced track student who opted for doing a programming project rather doing the lab assignments.
- Coordinator, Association of Computing Activities (ACA), Departmental Student Body, CSE IIT Kanpur**

Jan'18 - Apr'18

Jul'16 - Jul'17

Leadership	- Conducted ACA Summer School open to students from all colleges with around 500 registered students and 5 courses. - Mentored 10 first year students for a semester long project teaching them essential programming languages and utilities. - Responsible for all the departmental activities ranging from freshers' for new batch to farewell to outgoing batch.
Initiatives	- Floated semester projects for 150 first year students under the mentorship of experienced seniors to promote coding culture in campus. - Organized hackathons, programming contests, workshops and talks in collaboration with some reputed companies. - Increased student-faculty and intra-department interaction by organizing happy hours, senior-junior sessions and team fun activities.
